

FIG. 1 is a schematic diagram of a multi-tiered storage rack assembly. The assembly consists of two main vertical sections, each containing three tiers. Each tier is a rectangular frame with a horizontal base (33) and a diagonal support (34). The tiers are labeled 70. The entire assembly is supported by a base (55) and has a top rail (52). Arrows 48 indicate the direction of movement or adjustment of the tiers.
